

# combat clothing sale

Captain R. Brown reports that 2853 Royal Canadian Army Cadets, in association with the Army Cadet League will hold a "Combat Clothing Sale" of new and used supplies. It will be at the Simcoe Armouries on March 1st from 10:00 a.m. to 4:00 p.m.

## Joannie and Mark Rell open Silver Cross store

"Silver Cross" provides recycled health care equipment at a fraction of the cost of new equipment. Seniors and the physically disabled have saved over \$1,000,000 by using "Silver Cross" Service.

"Silver Cross" Simcoe is being launched by Joannie and Mark Rell with the store opening at Pond Street in Simcoe on March 1st. They recognized that as funding sources dry up, and as the baby boom population reaches the retirement years, the demand for realistically priced home health care products is going to go through the roof.

Thousands of health care products including stair lifts, lift chairs, wheelchairs, walkers, scooters, etc., have been provided to those in need.

For further information contact Joannie Rell at 426-0525.

## Bowl for Millions event coming in April

It is time to dust off your bowling shoes and get the ball rolling! Big Brothers and Big Sisters "Bowl For Kids" fund raising campaign is right around the corner. Get a team together (that would be one to five people) and challenge some other friends and/or co-workers to get a team together. "Bowmania Party Day" is Sunday, April 13. Join other bowlers for two games of free bowling, pizza, pop and great incentive prizes! All to support the youth of Haldimand-Norfolk. Call 426-3121 to register and receive a pledge sheet. Spare no time ... get the ball rolling today.

## New feed mill planned to aid area farmers

GROWMARK, Inc. reports it will construct a new feed manufacturing facility in southwestern Ontario. The mill, designed to serve local co-op members and their customers, will have the capacity to manufacture at least 120,000 tonnes of livestock feed annually. "A new mill in southwestern Ontario is an integral part of our strategy to provide the best nutritional products to our members and their customers," says Wendell E. Law, president of Mark II PLAN, the production livestock and nutrition venture of the GROWMARK and Countrymark Co-op systems. The new mill will make extensive use of the latest feed manufacturing technology. The mill is scheduled to be completed during the fourth quarter of 1998. An additional announcement will be made, once a specific site is selected.
